

OKLAHOMA CITY COMMUNITY FOUNDATION

Helping you help the community

Welcome to our building!

What is the Oklahoma City Community Foundation?

We are a 501(c) (3) public charity that offers the maximum tax benefit for charitable giving. As a “community” foundation we accept gifts from a wide range of local individuals, families, businesses and organizations to benefit existing endowments or create new funds. There are more than 800 community foundations in the United States.

We were established in 1969 by community leaders as a way for anyone to make a lasting difference through charitable giving. People create funds at the Oklahoma City Community Foundation for the benefit of the community both now and in the future. For these donors we administer a variety of funds including:

- **Scholarship & Award Funds** benefit worthy students seeking additional education or training.
- **Advised Funds** allow an individual or family to recommend grants to benefit a favorite nonprofit organization or project.
- **Endowments for nonprofit organizations** create an annual stream of income for organizations.

We also have funds established by donors that allow our Trustees to meet changing needs and opportunities within the community. In all, we administer more than 1,000 funds.

Let us help you help your community.
