OKLAHOMA CITY COMMUNITY FOUNDATION

Helping you help the community

The Oklahoma City Community Foundation is one of the nation's largest community foundations. Founded in 1969, its mission is to serve the charitable needs of the Oklahoma City area through the development and administration of endowment funds. Our Trustee Scholarship Initiative addresses the community's need to encourage students to pursue higher education. The program is unique in that it recognizes that scholarships are only one of several vital components necessary to ensure that students can and will seek higher education. In addition to funding scholarships, the program provides access to information on financial aid resources and higher education institutions, training for counselors on new guidance tools and techniques and a simple, but powerful tool: encouragement.

My family and I are extremely grateful for your gracious contribution toward my education. Your scholarship is a blessing for us because I will be the first of my family to attend college. Furthermore, your financial support serves as motivation for me to succeed in order to pay it forward and help other young adults continue their education.

2011 Foundation of Promise Scholar

Thank you for awarding me a Community Foundation Scholar award last year. Something I've learned after a year of college is the little things add up in a big way. The scholarship, adding with others, made the difference between taking out a loan or not. Basically, it added up for me and I highly appreciate it.

In the past 10 years, 734 students completed their required activities and were awarded scholarships.

If you meet the following criteria then you should apply for this \$1,500 scholarship.

- The first generation of your family to attend college: Please talk with your school's participating Guidance Counselor for specific information on definition of "first generation."
