MAINTAINING A DISCIPLINED APPROACH TO INVESTMENT MANAGEMENT

Since our founding in 1969, the Oklahoma City Community Foundation has been central Oklahoma's leading advocate for building endowment funds through not only support from donors but also through sound investment and distribution strategies. Our investment policy benefits all endowments, large and small, because we balance the use of active managers and index funds in a way that maximizes the opportunity for adding value while keeping the cost low. As a result, we have produced annualized returns over 10 years that exceed the markets but at a cost much lower than mutual funds or other balanced fund alternatives.

Our investment policy is specifically designed for an endowment fund to provide annual distributions for charitable purposes in perpetuity. Our investment policy has four major objectives:

- Capital preservation
- Inflation protection
- Continuing source of annual distribution for charitable purposes
- Investment return in the top third of professionally managed funds

Our Investment Committee uses a style-based investor management system and allocates assets to specific investment styles. The committee hires investment managers to manage a particular style. We use nine active managers; seven for equities and two for fixed income investments. Approximately 60 percent of the pooled investments are actively managed.

As endowment fund investors we have a perpetual horizon and maintain a disciplined approach to long-term investment strategy while utilizing short-term tactical allocations to add value when opportunities arise. We also remain committed to a long-term diversification strategy with an allocation to high quality fixed income assets even in times of booming equity investments. In

addition, our prudent distribution policy (summarized below) provides a structured method of making distributions from an endowment that protects the stream from inflation thus creating a predictable annual distribution and allows the Investment Committee to focus on maximizing total investment return.

While the volatility of the markets in recent years has been a challenge, our committee has remained disciplined in staying with a policy that emphasizes diversification of assets, quality investments and a long-term perspective. Both the committee and our Trustees view these responsibilities as among the most important that we provide as managers of the community's endowment.

DISTRIBUTION POLICY

Since 1989, we have used a distribution policy that permits endowments to capitalize on good investment years as well as protect them in low or negative return markets. Cash distributions from most of the endowment funds we administer are based upon a spending policy that calls for distributing 5 percent of the fund's average market value. The remaining investment return is left in the fund to increase the value. The annual distribution amount is based upon a rolling 12-quarter average of the fund's market value. While there are other approaches to determining distributions, the 5 percent spending rule does not require a specific investment allocation to income-producing assets and is not subject to short-term market fluctuations.

For more information on our investment and distribution policies, please contact Rhonda Godwin at 405/606-2916 or email her at r.godwin@occf.org.

OUR INVESTMENT MANAGEMENT PROCESS

A key goal of the Oklahoma City Community Foundation Trustees and our Investment Committee is to achieve good investment returns that allow for annual distributions from endowment funds, help increase the value of the funds and ensure the endowments exist for the future.

While the markets can be volatile, our intent is to have a strong process for allocation and review. We are fortunate to have a committee that is well-informed and actively involved. We have always been transparent about our investment process and the results and we are pleased that our efforts have resulted in a solid investment product for our donors and the charitable organizations.

INVESTMENT COMMITTEE

Our Investment Committee comprises of six Trustees or past Trustees and three community leaders who are knowledgeable about investments. The members of the Investment Committee for FY2012 are listed at right. It is the role of the committee to oversee the investment functions through adopting the investment policy, hiring the primary professional investment consultant and each of the investment managers. During quarterly meetings, the committee reviews the investment performance and the recommendations for the allocation of assets to equities or fixed income and then to the various style sectors. This committee performs one of the most important functions that we offer to support donors and charitable endowment funds.

INVESTMENT CONSULTANT

Since 1988, Hotchkiss Associates has served as our investment consulting firm. Jack Marringa is the principal who serves as the direct contact with the committee and our staff. Based in Chicago, Hotchkiss Associates is a division of United Capital Financial Advisors. In addition to monitoring investment performance and making recommendations about asset allocation, Mr. Marringa and the firm assists with the selection of style-specific managers to implement our allocation policy.

OUR INVESTMENT PROCESS

Our management process begins with the committee's determination of percentage of the assets to be allocated between equities, fixed income securities and cash. Next, the committee determines the equity allocation among the various styles of equity management.

Once allocation is determined, the committee selects the style-specific managers. The managers' performance is evaluated against the appropriate benchmark for their particular sector and their adherence to the specific style they have been engaged to manage. For FY2012, we had seven active equity managers listed at right.

INDEX FUNDS

In addition to these managers who actively select stocks in each of their respective sectors, we also use a group of index funds to provide additional diversification within each sector. The return from the index funds is targeted to match the market, and the relatively low cost of these index funds assists us in maintaining a very low total cost for our investment operations. The primary provider of these index funds is BlackRock (New York) (formerly Barclays Global Investors) and the annual costs range from 5 basis points to 35 basis points.

WAYS TO GIVE

The Oklahoma City Community Foundation offers a variety of giving opportunities to make charitable giving as easy and flexible as possible. Whether you would like to make a gift now or establish a planned gift that will benefit charitable interests later, we can help you and your professional advisor with your philanthropic planning to accomplish your charitable and financial goals.

OPTIONS FOR GIVING NOW

CASH GIFTS

Cash is one of the easiest ways to make a charitable contribution. A cash gift to the Oklahoma City Community Foundation can be in the form of cash, check, money order or a cashier's check.

CREDIT CARD GIFTS

Through our secure online giving service with PayPal, we can accept American Express, Discover, MasterCard or Visa. For many donors, online giving is an easy and convenient way to make a charitable gift at any time. To make an online gift, please visit www.occf.org/onlinegiving.

REAL ESTATE

Real estate may be given at appraised value. If appreciated, capital gains tax may be avoided on the real estate appreciation if the property is contributed directly to a fund at the Oklahoma City Community Foundation. Gifting real estate may allow you to preserve liquid assets while maximizing your charitable contributions.

BUSINESS-RELATED ASSETS

We accept gifts of individually-owned business assets such as closely-held C-corp. and S-corp. stock, partnerships and LLCs.

GIVING LATER THROUGH A PLANNED GIFT

A planned or deferred gift is a charitable gift made as part of an individual's tax or estate plan that may provide an income benefit to the donor or a tax deduction exceeding a single year. We can help you with the planned giving options outlined below. We always encourage donors to discuss these options first with your professional advisor.

CHARITABLE GIFT ANNUITIES

A Charitable Gift Annuity (CGA) allows individuals 55 years or older to make a gift with cash or other assets of at least \$20,000, receive income for life and, at the end of the annuity, have the remaining assets go to the charitable fund(s) of their choosing. We offer six CGA options.

CHARITABLE REMAINDER TRUSTS

A Charitable Remainder Trust (CRT) allows individuals to place assets in a trust that pays annual income to the donor or a beneficiary for life or a term of years. In addition, the trust is removed from the estate, reducing subsequent estate taxes. Upon the trust's termination, the remaining assets will benefit an existing endowment or Advised Fund.

CHARITABLE LEAD TRUSTS

A charitable lead trust allows individuals to transfer assets to the Oklahoma City Community Foundation in order to pay a percentage of the assets' value to an endowment designated by the donor. At the end of the trust term, the remaining assets are passed on to designated beneficiaries. This option can provide discounted gift or estate taxes for the beneficiaries and, in certain cases, an income tax deduction at the time the trust is created.

RETIREMENT PLAN ASSETS

Individuals may use retirement plan assets to establish an Advised Fund and reduce a potential tax burden on heirs. Your heirs may serve as advisors to the fund, ensuring that your charitable interests are continued into the future.

STOCKS, BONDS AND MUTUAL FUNDS

If appreciated, marketable or closely-held securities such as stocks, bonds and mutual funds can offer significant tax savings while maximizing charitable contributions. The securities may be given so that you receive an income tax deduction equal to the fair market value of the donated assets while avoiding the capital gains tax. We maintain accounts at most brokerage firms and can arrange for the transfer of the donated securities.

OIL AND GAS INTERESTS AND ROYALTY INTERESTS

The contribution of oil and gas interests may allow for the preservation of liquid assets while maximizing charitable contributions.

LIFE INSURANCE

A life insurance policy can be an effective means to fund a charitable gift without significant outlays of cash. If the policy is gifted, you may receive a tax deduction for the current cash value and future premiums could be funded with additional tax deductible contributions.

PLANNING YOUR WILL AND TRUST

We all live busy lives and may find it difficult to take the time to create an estate plan. The Oklahoma City Community Foundation's free Guide to Planning Your Will and Trust is designed to help you to think about how you want your assets to be distributed at death. This step-by-step guide will help you to gather the information your attorney will need to prepare a will or trust that accomplishes your goals. For a free copy of our will and trust guide, visit www.occf.org/willguide or contact Joe Carter at 405/606-2914.

BEQUESTS

With a bequest, you can designate a percentage, the residual or their entire estate to benefit an existing fund or to establish a new fund. This option may provide you and your family with substantial reductions in federal estate taxes.

CHARITABLE ORGANIZATION ENDOWMENT FUNDS

As of August 1, 2012

Through the Charitable Organization Endowment Program, we administer permanent funds for 310 nonprofit organizations. The program is the largest of its kind in the United States. As of June 30, 2012, the fund market value for these endowment funds was \$153.6 million and annual distributions to the organizations exceeded \$5.6 million. More than 40 nonprofit organizations participated in a match opportunity during the first part of Fiscal Year 2012 and increased their fund balances by a collective \$607,000. Those organizations are denoted with *. The endowment funds marked with ■ are organizations who have completed a profile on GiveSmartOKC.org as of 10/15/2012.

For more information on establishing a charitable organization endowment fund, contact Gayle Farley or Kenneth Conklin at 405/235-5603.

SCHOLARSHIP AND AWARD FUNDS

As of August 1, 2012

With nearly 130 funds, the Oklahoma City Community Foundation administers the state's largest independent scholarship program. Established by individuals, corporations, alumni groups and civic organizations, scholarship and award funds are permanent endowments that provide support for those who are seeking to improve themselves through higher education or additional post-high school training. During Fiscal Year 2012, the endowment funds listed below supported more than 500 awards.

For more information on establishing a scholarship endowment fund, please visit www.occf.org/FundOptions or contact Rick Fernandez 405/606-2919. To learn more about the funds listed below and the awards they support, visit www.occf.org/ScholarshipDirectory.
