Make a Gift, Have it Matched!

Did you know that the Oklahoma City Community Foundation administers the state's largest independent scholarship program? We do, and we're offering a match opportunity for each of the scholarship funds including the General Scholarship Fund. In 2015, these scholarship funds supported \$1.6 million in awards to more than 600 students.

You can make a gift to one or more scholarship funds listed in this publication, and we will match your gift! And, you'll receive the maximum tax benefits allowed for your charitable gift.

Our General Scholarship Fund allows us to provide awards to students who will be the first in their family to attend college or are in the state's foster care system. The fund also supports scholarships to graduating high school seniors in central Oklahoma who are good students and good citizens. Pictured above with their counselor are students from Edmond Memorial High School who received a scholarship in 2015.
