

MATCHING GRANTS PROGRAM

PROGRAM GOALS & AREAS OF INTEREST

The Lawton Community Foundation was started in 1999 to improve the quality of life in the Lawton area. A grant program was adopted by the Trustees to support endowment funds in the Lawton area. Matching grants will be awarded to qualified nonprofit organizations which have charitable organization endowment funds with the Lawton Community Foundation or would like to start a charitable organization endowment fund with the Lawton Community Foundation. The organization will be required to raise \$5,000 to receive a matching grant of anywhere between \$2,500-\$5,000. The money raised and the matching dollars will go into the organization's endowment fund at the Lawton Community Foundation. The amount awarded will depend on the demand each year. 50% of the contributions must come from individual donors. Each organization must provide a plan on how the \$2,500 from individuals will be raised.
